

# Greater Binghamton Cloth Diaper Bank

## Application for a Diaper Package

We offer gently used cloth diapers to anyone who needs them in the Greater Binghamton area.

Each package consists of 10 diapers. You may purchase more than one package, but we cannot guarantee the types or colors of any package. Most of our diapers have been donated by others in our community, so they are gently used. Occasionally, we do have new/prepped diapers to offer. The fees associated with your diaper package cover the costs of prepping and repairing the diapers. We hope that the money you save by using this cloth diaper package will help you to be able to purchase any additional cloth diapers you need for your child.

\_\_\_ I understand that the fee of \$20 covers the cost of preparing these diaper for me, but that they have been donated through the generosity of other families in our area.

\_\_\_ I agree to NOT resell these diapers. After I am finished with them, I will donate them back to Greater Binghamton Cloth Diaper Bank or gift them to someone else who needs them.
